The Office of the Registrar has made some changes to forms commonly used by students to assist them with various processes, such as Change of Major, Dropping a Course, etc.

Students may now access various Registrar's Office Forms by logging into PVPlace. The new electronically re-designed forms are located in the "Registrar Forms" section under the "Student" page. We believe this change will be a more efficient way to process student requests in a timely manner. Please feel free to review the Registrar's webpage for any additional updates.
