*SKW*

Providing opportunities for our prospective students and families to visit campus and interact with our faculty, staff and students is and always has been a top priority for the Prairie View A&M University. As we continue to monitor the coronavirus (COVID-19), the University has decided to postpone the annual Pantherland Day that was initially slated for Saturday, April 18th. We will notify you of a rescheduled date when one is determined.

While there have been no confirmed cases in Waller County, the CDC does recommend that large gatherings be avoided to help prevent the possibility of a coronavirus outbreak in the community. Regular updates regarding the coronavirus can be found on the Prairie View A&M University homepage.
