Re: Confirmed positive cases of COVID-19

Date: July 12, 2020

We have been informed that employees from the Office for Academic Affairs, University Police Department (UPD), and Athletics have tested positive for COVID-19.

The employee in Academic Affairs was last on campus on July 6, 2020, and the employees in UPD and Athletics were last on campus on July 9, 2020. All of the individuals are currently quarantined. Staff members who were in contact with the affected individuals have been notified in accordance with PVAMU's policy and guidance from the Centers for Disease Control and Prevention (CDC). If you were not contacted, you are not at increased risk. We wish them a full recovery.

We encourage our campus community to continue following the [CDC](https://www.cdc.gov) guidance to help prevent the spread of the disease and report all positive cases to the PVAMU COVID-19 Hotline at 936-261-9000. Visit the university's COVID-19 Update web page for current information about the impact of the novel coronavirus on our campus community.
