RE: Required COVID-19 Certification Training

As you prepare to return to school on August 24 for coursework, I write to alert you to a condition for your return. All students registered for fall classes, whether online, hybrid, or fully in class, are required to complete the Student COVID-19 Certification training. Students failing to complete the training before August 20 will have a **conduct hold** placed on their record. The hold will remain until the course is completed.

If you do not have the hold removed you:

- will not be able to register;
- will be unable to make any modifications to your current schedule;
- will not be able to receive a transcript; and
- will be deemed not in good standing with the University.

I encourage you to take the training right now to prevent any unnecessary interruption. The link to the training is, <https://launch.comevo.com/pvamu/1863>.

Have a safe ending to your summer. We will see you next month.
