**RE: COVID-19 Directives**

Please be reminded that during this time we have strict COVID-19 protocols. As presented in your mandatory training and certification, face masks must be worn, and physical distancing must be exercised in all instances.

In an effort to provide the safest possible environment, basketball courts, parking lots, etc. are closed to unapproved public gatherings until further notice. Please know that violations of these directives will result in disciplinary sanctions for those found responsible by utilizing video footage and other submitted documentation.

Please assist by doing your part to keep our Panther community safe!
