A Member of the Texas A&M University System

## MEMORANDUM

**TO:** PVAMU Students

**FROM:** Steve Ransom *Steven Ransom*  
Interim Vice President for Student Affairs/Dean of Students

**DATE:** February 24, 2021

**RE:** **CAMPUS NO VISITATION REMINDER**

Thankfully we have made it to the other side of the extreme weather event of last week. As this is written, it is hoped that all have connected with family and friends, and that any needed remediation is under way.

It is important to remember that we must keep the COVID-19 pandemic front and center, and that for the safety of all PVAMU community members, there continues to be **no visitation** in our on-campus residential communities at this time. This includes not only resident and non-resident students, but also any non-University affiliated individuals.

While it is realized that this policy is inconvenient and limiting, it is important in order to quell the spread of this insidious virus. Please do your part as a responsible PVAMU Panther.
