RE: Summer 2021 Funding Support

## HEERF II FUNDS

As a result of the [Coronavirus Response and Relief Supplemental Appropriations Act](#) (CRRSA): Higher Education Emergency Relief Fund of 2021, also known as HEERF II, the Federal Government has allocated PVAMU and other universities additional funding to prevent, prepare for, and respond to coronavirus and the ongoing impact of the pandemic.

The university is allocating \$10,876,464 of these funds in the form of emergency financial aid grants for summer 2021, fall 2021, and spring 2022. We anticipate the **summer grant amounts being a minimum of \$1,000 per student.**

Additional information about the funds, eligibility, the award process, and deadlines will be available on the Coronavirus update webpage beginning Tuesday, May 25, 2021. Students must be registered for summer to qualify.

## PANTHER SUCCESS GRANT

Panther Success Grants (PSG) will be disbursed to eligible undergraduate students for summer 2021. There is no need to apply; students will receive a communication if a grant is applied to their account. Awarding will begin on May 25 and will be disbursed daily after that until all eligible students have been awarded. A notification of award will be sent via the Panther Tracks portal. The maximum grant will be **\$2,000 for the semester**, and the award is applied directly to the student's account.
