Re: **Mandatory Trainings**

Hopefully this communication finds you healthy and enjoying the remainder of your time before the start of fall classes on Monday, August 23, 2021. I am writing to remind you of the **mandatory trainings** you have previously received via your official PVAMU email account. As we all must do our part to contribute to a safe and healthy campus environment, please review the important information below:

- Completion of mandatory Alcohol EDU, Prescription Drug Awareness, and Sexual Assault trainings by August 31, 2021. Use the following link to access these trainings: [https://admin.fifoundry.net/pvamu/sign\\_in](https://admin.fifoundry.net/pvamu/sign_in)
- Mandatory COVID-19 Training and Certification will come via a separate email, so please look for it over the next few days. This training is essential for all students.

Thank you in advance for demonstrating your commitment to the safety of our community by focusing on the completion of these trainings. Here's to a memorable semester as Panthers Push Forward!
