

Prairie View A&M University
**RESEARCH &
INNOVATION**

The Center for Innovation, Commercialization, Entrepreneurship,
and Economic Development (ICEED)

Presents

Solving Problems in 48 Hours

- **Pantners Invent** is a 3-day intensive design experience for undergraduate and graduate students, on multidisciplinary teams, to push their innovation, creativity and communication skills.
- Each event has a specific theme and is designed in collaboration with industry and faculty.
- Teams will compete for cash awards and the best innovation!

Competition Weekend: Sept. 17-19, 2021

Application Deadline: Friday, Sept. 3, 2021
