Tech Tuesday

September 24, 2024

2:00 PM CT (Zoom)

Association of Public & Land Grant Universities

REALCHEM

**RELEVANT, EQUITABLE,
ACTIVE LEARNING**

Enabling equitable access and success by engaging students through real world relevance, with support that is responsive to their needs and goals.

This Tech Tuesday session will present the APLU initiative and grant opportunity seeking to implement a new courseware designed to promote student success and support evidence-based teaching practices in chemistry.
