Knowledge is Power

Learn all about the new classroom audio visual equipment, how it works with Canvas and how to use Zoom to stream your class live while teaching in a classroom!

Classroom AV Help Session

Help sessions for all things classroom audio visual have been created. We will be offering these sessions each day from Tuesday 1/26 to Friday 1/29. Click on the Calendar Invites to save the training session to your outlook calendar and for the meeting link.

Please plan to attend a session if you have questions!

Even if you are not currently teaching in a classroom, you are still welcome to attend a help session.
