

Microsoft Azure is experiencing global outage. Due to this outage, some PVAMU users are experiencing issues with Outlook, Office 365 products, Teams, and other systems such as Zoom and Canvas may be affected too. This error is beyond PVAMU CITE's control, and we are monitoring the status closely. At this time, Microsoft does not have an ETA for service restoration

You can view the current status: <https://status.azure.com/en-us/status>.
