CALL FOR PAPERS

JOURNAL OF MINORITY ACHIEVEMENT, CREATIVITY AND LEADERSHIP

The Journal of Minority Achievement Creativity and Leadership (JMACL) underscores achievement, creativity, and leadership among gifted and high-achieving minority populations across the P-20 continuum. JMACL aims to provide a range of information that foregrounds asset-based as opposed to deficit-oriented models for practitioners and scholars in P-12 and higher education contexts.

JMACL is affiliated with the [Minority Achievement, Creativity, and High-Ability Center \(MACH-III\)](#) at Prairie View A&M University. The mission of the MACH-III Center is to produce cutting-edge best-practices and scholarship that will speak to the contemporary issues impacting critical populations: administration, faculty, and students across the P-20 spectrum and beyond into workplace contexts.

To submit a manuscript to *Journal of Minority Achievement, Creativity, and Leadership*, please visit [Editorial Manager](#). The online system will guide you through the steps to upload your article to the editorial office.
