Dear PVAMU Community,

The College of Nursing has become aware of rumors circulating on social media sites regarding our accreditation status. *These rumors are false and are without merit.*

The CON recognizes accreditation is a peer-review, self-regulatory process by which non-governmental associations recognize educational institutions or programs that have been found to meet or exceed standards and criteria for educational quality.

Both the undergraduate and graduate CON programs are accredited by and in good standing with the Texas Board of Nursing (2022-2024), the Commission on Collegiate Nursing Education (CCNE) (2015-2026), and the Accreditation Commission for Education in Nursing (ACNE) (2021-2029).

Since its inception, the CON has met and maintained all nursing academic, state, and national standards. The program is committed to quality nursing education, maintaining the rich tradition and legacy, and preparing the next generation diverse nurse leaders.

Sincerely,

Allyssa L. Harris RN, PhD, WHNP-BC
Dean & Professor, College of Nursing
