Black History, Heritage and Health Equity Virtual Webinar

The DEI Office at Harris Health System in conjunction with Prairie View A&M University (PVAMU), will host a webinar on Harris Health System's alignment with Black History, Heritage, and Health Equity. The webinar will also examine the historical relationship between Harris Health and PVAMU's nursing program. This event would not be complete without the honorable mention of Distinguished Graduate of PVAMU's College of Nursing and Past CEO of Harris Health System, Lois. J. Moore.

This virtual event will be held on Monday, Feb. 26, from noon to 1 pm. [Register here to attend.](#)
