

PRAIRIE VIEW A&M UNIVERSITY is the second-oldest public institution of higher education in Texas. Established in 1876 as a land-grant institution, PVAMU is known for its dedication to excellence in teaching, research and service. This historically black university has an established reputation for producing thousands of engineers, nurses, educators, architects and other business and legal professionals. With an 18:1 faculty to student ratio, Prairie View students receive personal attention, focused faculty interaction and the ability to benefit from their wealth of knowledge in the public and private sectors.

Located only 45 miles from the heart of Houston, Texas the fourth most populous city in the U.S., the 1500-acre picturesque campus offers modern facilities in Prairie View, Texas on the gently rolling hills of Waller County (population 36,000). The University's location offers the advantages of a pleasant, semi-rural environment with convenient access to the excitement of a major American city. The city of Prairie View is on the frontier of change in the Northwest Houston growth corridor. The PVAMU College of Nursing is located in the heart of the world-renowned Texas Medical Center in Houston, the Northwest Houston Center is located in Cy-Fair on the Hwy 249 corridor just north of Beltway 8.
