

A TIME TO GIVE THANKS!

Have you ever asked the question *"Why Are We to Be Thankful?"* The month of November for some has been designated as a month to give thanks. Some individuals wait for this month to express their love and gratitude to the one who has given them strength to view another day. Personally, I think that any day of the year is a part of a month that we should give thanks. With thankful hearts we are to appreciate the blessings that God our Creator has bestowed upon us. There are so many things that I feel we ought to give "Thanks" for **such as life, health, and strength** just to name a few.

So let me take this privilege and ask the question; when was the last time that you helped someone in need and did not expect something in return? The good book says, "That we ought to love our *neighbors as ourselves.*" Love means to give like it is your very last to those who are less fortunate than you. To love God is to give to others throughout the year and not only in the month of November. Remember, it is better to give than it is to receive.

In the following story, there are sixteen books of the Bible hidden. Can you find them all.

I once made a remark about the hidden books of the Bible. It was a lulu, kept people looking so hard for facts. For some people it was a revelation. Some were in a jam, especially since the names of the books were not capitalized, but the truth finally struck home to numbers of readers. To others it was a real job. We want it to be a most fascinating few moments for you. Yes, there will be some really easy ones to spot. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of them and there will be loud lamentations when it is found. A little lady says she brews a cup of tea, so she can concentrate better. See how well you can compete. Relax now, for there really are sixteen names of books in the Bible in this story.

Have Fun!

Homecoming 2007

Journey one day at a time

Today...

How precious it is, and how full of possibilities.

How sad it would be to waste it worrying about the future, and how wrong it would be to spend it dwelling on problems from the past.

Today... is here. Today is now.

Today is filled with as much magic as you want to give it. Today is filled with amazing grace waiting for you to live it.

CATHOLICS ON CAMPUS

Did you know that the Catholic faith is the third oldest religious body in the world. Recently, Pope Benedict XVI selected Bishop DiNardo of the Galveston-Houston Dioceses to become a Cardinal. This is an historical moment for the State of Texas because Bishop DiNardo is the first to be elected from the state. One of his goals is to reach out to the Latino community.

Congratulations to Bishop DiNardo.

Catholics on Campus Ministry (Newman Association) would like to invite students to participate in the campus mass held each Thursday at 6:00 pm in the JPAFC Meditation Room.
