In contrast, if the student has completed all assignments and exams, but performed below the grade level of a D, a grade of F will be assigned for the final course grade.

Detailed Description of Major Assignments:

Assignment Title or Grade Requirement	Description
1. Special Occasion Speech	This 2-4 minute speech links your subject (a person, event, etc.) with a specific trait, either positive (if praising) or negative (if condemning). You will establish a specific occasion/ceremony (Hall of Fame induction, funeral, tribute, toast, interview, impromptu, dedication of a memorial, etc.). You will elicit an emotional response through careful use of language style while reinforcing beliefs and feelings your audience already holds. (Attempts to change those beliefs and feelings are better suited to Persuasive Speeches.) This speech is worth 50 points.
2. Group Speech	This 8-10 minute speech is a group presentation. Possible presentations include (but are not limited to) how-to demonstrations, event planning, etc. Each member must speak for equal amounts of time. This assignment is worth 50 points. Your group must provide an outline with the assignment.
3. Informative Speech	This 4-6 minute speech provides information new to most of your audience. It may be useful to think of this speech as a teaching opportunity, a short lecture about an important topic. This speech also could be a demonstration (“how-to”) speech. You are required to use at least one presentation aid. You must provide an outline with this assignment. This speech is worth 100 points.
4. Persuasive Speech	This 5-7 minute speech will persuade your audience to perform an action. Through carefully crafted and well-supported arguments, and based upon the information you have given them and the emotional response you have elicited, you must persuade your audience to act on an issue. You are required to use at least one presentation aid (to depict the severity of the social problem, the amount of people it affects, and how your solution will mitigate the problem if implemented, etc.). You must provide an outline with this assignment. This speech is worth 100 points. This speech will also be

	used as assessment for the Communication division but this assessment will not be counted towards your grade.
5 & 6. Exams	Both the Midterm and Final exam will be online via Canvas. They will both consist of multiple choice questions, and are not cumulative. Each exam is worth 50 points.
7. Interviews	You will be required to take part in a mock job interview. You will submit your 'real' resume and a cover letter that can have possible future accomplishments. You will then take part in an interview exercise determined by your instructor. This interview is worth 25 points.
8. Participation	This is a public speaking course. As such, students will be expected to speak publicly. This means that students will be actively encouraged to participate in class discussions, and give their input on course material. This sort of active participation in class is key to any communications class, including this one. Participation will be gauged by your instructor. Students are graded on the quality as well as the quantity of their class participation. Attendance with a few brief comments all semester is average (C) participation. Above average and excellent participation (B or A) includes regular frequent questions, comments, and/or examples that demonstrate an understanding of course material, contribute to the class topic, and seek additional knowledge relevant to the class topic. Students will also be expected to give an Introductory Speech at the beginning of the semester. This assignment is worth 25 points.

Course Procedures or Additional Instructor Policies

Attendance: Attendance is an important part of this class. Students will be expected to attend class on all of the prescribed days in order to get the most out of this class. Students who fail to attend class will receive three (3) unexcused absences before penalties will go into effect. For every unexcused absence after the third students will lose one letter grade on their participation grade. This is not negotiable.

Make-up and Late Work: NO LATE ASSIGNMENTS, PERFORMANCES, SCRIPTS, DISCUSSIONS, OR EXAMS WILL BE ACCEPTED. **I do not accept late WORK unless you have a university-approved absence and provide university-approved documentation to me within one week (7 days) of your absence.** I will not accept late assignments, presentations, exams, or discussions under any circumstance. You are expected to come to each and every class on time and prepared. Finally, I will not accept late assignments, presentations or exams under any circumstance.

Speech Sign-Up: In this class students will sign-up for their speeches. Speech sign-up will consist of picking both a day and order to speak in. Students are expected to adhere to the time that they have signed up for. This is a contract between a speaker and an audience, promising that they will be there to share their words at a specific time. If a student does not attend class to speak at the proper time and cannot produce documented evidence to prove their absence, then they will receive a ZERO (0) for their speech grade. This is in adherence to the LCOM Student Expectation that NO late work is accepted in this class.

Respect On Speech Days: There are a few things that students need to keep in mind during speech days. These guidelines **must** be followed and will help to create a respectful environment for all speakers. They are as follows:
 1.) Phones - On speech days phones need to be completely silenced and put away. There is nothing more demoralizing to a speaker than seeing their audience looking down at their cell phones rather than paying attention to their speech.

2.) Entering the Class - If you are late to class on a speech day the door will be closed. You will need to listen at the door and if you hear someone talking, **DO NOT** enter the room. This is highly disrespectful and can distract the speaker. Instead, wait until you hear applause, and then quietly make your entrance into the classroom.

3.) Listening - Each of you will speak multiple times throughout the semester, and you will want your audience to be attentive to your words. For that very reason, you should do the same for your fellow students. Listen carefully, and be a good audience member to the speaker. They will return the favor when it is your turn.

Grade Concerns: I am happy to discuss your work and performance with you. Keep in mind that I will protect your privacy in discussing your work. This means not discussing your grade in the presence of other students, faculty or staff before, during or after class sessions and or office hours. If others are present at the time that you attempt to engage in a conversation about your grades I will ask them to leave or instruct you to wait until such time as your privacy can be maintained.

In general, I require a 24-hour reflection period before discussing grading concerns. After the reflection period has passed, you may submit your concerns in writing. Make sure that in your email you include:

- 1.) Your name, the title of the course, and meeting time
- 2.) The name of the assignment
- 3.) A clear discussion of your issues or concerns
- 4.) Your suggestion(s) for resolving the issue(s)

I will respond in writing to your concern(s) within 48 hours of receiving them unless the email is sent over the weekend or holiday break. If you continue to have questions after you have received and read my written response(s) to your concern(s), we will find a suitable time to meet and discuss your concern(s). USE ONLY your pvamu.edu email accounts to discuss grade concerns. I will not respond to emails sent via a non PVAMU email account as there is no way to secure your receipt of my response or the authenticity of the user.

University Rules and Procedures

Academic Misconduct

Academic dishonesty is defined as any form of cheating or dishonesty that has the effect or intent of interfering with any academic exercise or fair evaluation of a student's performance. The college faculty can provide additional information, particularly related to a specific course, laboratory, or assignment.

You are expected to practice academic honesty in every aspect of this course and all other courses. Make sure you are familiar with the *University Administrative Guidelines on Academic Integrity*, which can be found on the [Academic Integrity webpage](#). Students who engage in academic misconduct are subject to university disciplinary procedures. As listed in the *University Administrative Guidelines on Academic Integrity*, the University Online Catalog, and the Student Code of Conduct, the following are examples of prohibited conduct. This list is not designed to be all-inclusive or exhaustive. In addition to academic sanctions, any student found to have committed academic misconduct that is also a violation of criminal law may also be subject to disciplinary review and action by the Office of Student Conduct (as outlined in the Student Code of Conduct).

Forms of Academic Dishonesty:

1. **Cheating:** Deception in which a student misrepresents that he/she has mastered information on an academic exercise that he/she has not learned, giving or receiving aid unauthorized by the instructor on assignments or examinations. Examples: unauthorized use of notes for a test; using a "cheat sheet" on a quiz or exam; any alteration made on a graded test or exam which is then resubmitted to the teacher;
2. **Plagiarism:** Careless or deliberate use of the work or the ideas of another; representation of another's work, words, ideas, or data as your own without permission or appropriate acknowledgment. Examples: copying another's paper or answers, failure to identify information or essays from the internet and submitting or representing it as your own; submitting an assignment which has been partially or wholly done by another and claiming it as yours; not properly acknowledging a source which has been summarized or paraphrased in your work; failure to acknowledge the use of another's words with quotation marks;
3. **Collusion:** When more than one student or person contributes to a piece of work that is submitted as the work of an individual;
4. **Conspiracy:** Agreeing with one or more persons to commit an act of academic/scholastic dishonesty; and
5. **Multiple Submission:** Submission of work from one course to satisfy a requirement in another course without explicit permission. Example: using a paper prepared and graded for credit in one course to fulfill a requirement and receive credit in a different course.

PVAMU's General Statement on the Use of Generative Artificial Intelligence Tools in the Classroom

Generative Artificial Intelligence (GAI), specifically foundational models that can create writing, computer code, and/or images using minimal human prompting, are increasingly becoming pervasive. Even though ChatGPT is one of the most well-known GAIs currently available, this statement includes any and all past, current, and future generations of GAI software. Prairie View A&M University expects that all work produced for a grade in any course, be it face-to-face or virtual, will be the sole product of a student's endeavors to meet those academic goals. However, should an instructor permit their students to use artificial intelligence as a resource or tool, students must not substitute the substance of their original work with the results of using such GAI tools. This clearly violates the [University's Administrative Guidelines on Academic Integrity](#) and its underlying academic values.

Nonacademic Misconduct

The university respects the rights of instructors to teach and students to learn. Maintenance of these rights requires campus conditions that do not impede their exercise. Campus behavior that interferes with either (1) the instructor's ability to conduct the class, (2) the ability of other students to profit from the instructional program, or (3) campus behavior that interferes with the rights of others will not be tolerated. An individual engaging in such disruptive

behavior may be subject to disciplinary action. The Office of Student Conduct will adjudicate such incidents under nonacademic procedures.

Sexual Misconduct

Sexual harassment of students and employees at Prairie View A&M University is unacceptable and will not be tolerated. Any member of the university community violating the university's sexual harassment policy will be subject to disciplinary action. In accordance with the Texas A&M University System guidelines, your instructor is obligated to report to the Office of Title IX Compliance (titleixteam@pvamu.edu) any instance of sexual misconduct involving a student, which includes sexual assault, stalking, dating violence, domestic violence, and sexual harassment, about which the instructor becomes aware during this course through writing, discussion, or personal disclosure. The faculty and staff of PVAMU actively strive to provide a learning, working, and living environment that promotes respect that is free from sexual misconduct, discrimination, and all forms of violence. If students, faculty, or staff would like assistance or have questions, they may contact the Title IX Coordinator, Dr. Zakiya Brown, at 936-261-2144 or titleixteam@pvamu.edu. More information can be found at [Title XI Website](#), including confidential resources available on campus.

Protections and Accommodations for Pregnant and Parenting Students

The U.S. Department of Education's Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex, sexual orientation, and gender identity in education programs or activities that receive federal financial assistance. This protection includes those who may be pregnant and parenting. Title IX states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance." Students seeking accommodations related to pregnancy or parenting should contact the Office of Title IX for information, resources, and support at titleixteam@pvamu.edu. Additional information and/or support may be provided by the Office of Disability Services or the Office of the Dean of Students.

Non-Discrimination Statement

Prairie View A&M University does not discriminate on the basis of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, or gender identity in its programs and activities. The University is committed to supporting students and complying with The Texas A&M University System non-discrimination policy. It seeks to establish an environment that is free of bias, discrimination, and harassment. If you experience an incident of discrimination or harassment, we encourage you to report it. If you would like to speak with someone who may be able to afford you privacy or confidentiality, there are individuals who can meet with you. The Director of Equal Opportunity & Diversity has been designated to handle inquiries regarding the non-discrimination policies and can be reached at Harrington Science Building, Suite 109, or by phone at 936-261-1744 or 1792.

Class Attendance Policy (See the University Online Catalog for Full Attendance Policy)

Prairie View A&M University requires regular class attendance. Attending all classes supports the full academic development of each learner, whether classes are taught with the instructor physically present or via distance learning technologies such as interactive video and/or the Internet. Excessive absenteeism, whether excused or unexcused, may result in a student's course grade being reduced or in the assignment of a grade of "F." Absences are accumulated beginning with the first day of class during regular semesters and summer terms. Each faculty member will include the University's attendance policy in each course syllabus.

Makeup Work for Legitimate Absences

Prairie View A&M University recognizes that there are a variety of legitimate circumstances in which students will miss coursework and that accommodations for makeup work will be made. If a student's absence is **excused**, the instructor must either provide the student an opportunity to make up any quiz, exam, or other work contributing to the final grade or provide a satisfactory alternative by a date agreed upon by the student and instructor. Students are encouraged to work with instructors to complete makeup work before known scheduled absences (University-sponsored events, administrative proceedings, etc.). Students are responsible for planning their schedules to avoid excessive conflicts with course requirements.

Absence Verification Process

All non-athletic absences (e.g., Medical, Death/Funeral, Court/Legal-related, etc.) for which a student seeks to obtain a valid excuse must be submitted to the Dean of Students/Office of Student Conduct, with supporting documentation,

for review and verification. Please use the [Online Reporting Forms](#) to access/complete/submit the *Request for a University Excused Absence* form for an excuse. Upon receipt, a staff member will verify the documentation and provide an official university excuse, if applicable. The student is responsible for providing the official university excuse issued by the Office for Student Conduct to the professor(s). Questions should be directed to the Dean of Students via email: deanofstudents@pvamu.edu or phone: (936) 261-3550 or Office for Student Conduct via email: studentconduct@pvamu.edu or phone: (936) 261-3524.

Student Academic Appeals Process

Authority and responsibility for assigning grades to students rest with the faculty. However, in those instances where students believe that miscommunication, errors, or unfairness of any kind may have adversely affected the instructor's assessment of their academic performance, the student has a right to appeal by the procedure listed in the University Online Catalog and by doing so within thirty days of receiving the grade or experiencing any other problematic academic event that prompted the complaint.

Avoid slang terms such as "wassup?" and texting abbreviations such as "u" instead of "you." Limit and possibly avoid the use of emoticons. Be cautious when using humor or sarcasm as tone is sometimes lost in an email or discussion post, and the message might be taken seriously or sound offensive.

Video Conferencing Etiquette

Communication Expectations and Standards

Emails or discussion postings will receive a response from the instructor, usually in less than 48 hours. Urgent emails should be marked as such. Check regularly for responses.

Discussion Requirement

Online courses often require minimal to no face-to-face meetings. However, conversations about the readings, lectures, materials, and other aspects of the course can occur in a seminar fashion. The use of the discussion board will accomplish this. The instructor will determine the exact use of discussion boards.

It is strongly suggested that students type their discussion postings in a word processing application such as Word and save it to their PC or a removable drive before posting to the discussion board. This is important for two reasons: 1) If for some reason your discussion responses are lost in your online course, you will have another copy; 2) Grammatical errors can be greatly minimized by the use of the spell-and-grammar check functions in word processing applications. Once the post(s) have been typed and corrected in the word processing application, copy and paste to the discussion board.

COVID-19 Campus Safety Measures

In accordance with the latest guidelines from the PVAMU Health Services, the following measures are in effect until further notice.

- Students who are ill will be asked to adhere to best practices in public health, such as masking, handwashing, and social distancing, to help reduce the spread of illness across campus.
- Mandatory self-reporting will no longer be required by students. Students will be responsible for communicating with their professors regarding COVID, similarly to any other illness.
- There will be no mandatory isolation. Students who are too ill to engage in classroom activities will be responsible for securing the appropriate documentation to support the absence.
- Students who self-isolate will be responsible for communicating with their professors and securing an excuse from Student Conduct.
- All students will have access to [TimelyCare](#), a telehealth platform that provides virtual medical care 24/7 and by appointment in the Student Health Clinic. Students are encouraged to enroll with TimelyCare at the beginning of the semester, at timelycare.com/pvamu.
- Students will have access to COVID testing in the Student Health Clinic by appointment. Testing is for students who are symptomatic ONLY.
