**Grading Criteria and Conversion:**

- **A = 900 – 1000pts; 90-100%**
- **B = 800 – 899pts; 80-89%**
- **C = 700 – 799pts; 70-79%**

- **F = 599pts or below; 59% and below**

If a student has stopped attending the course (i.e. “stopped out”) at any point after the first day of class but did not officially withdraw from the course and has missed assignments and exams and performed below the grade level of a D, a grade of FN (failed-non attendance) will be assigned for the
final course grade to ensure compliance with the federal Title IV financial aid regulations. In contrast, if the student has completed all assignments and exams, but performed below the grade level of a D, a grade of F will be assigned for the final course grade.

**Ms. Sviland’s Course Procedures**

**Syllabus schedule: I stick to the daily schedule exactly as listed!**

*Students are responsible for knowing and following the guidelines related to all of the information below.*

**Attendance:** You are expected to come to class having completed all reading assignments for that day. School mandatory activities and official school excuses do not count as absences (note required). Attendance is part of your course grade.

Do NOT sign someone else’s name on the roll sheet! Doing this will cause the absent person to be turned in for cheating.

Feel free to talk to me about any attendance issues. Missing class may cause you to miss required assignments or important instructions. **You will not be permitted to make up any assignments completed in a class for which you are absent.** If you are absent, have one of your classmates bring you up to speed, do NOT ask me what we covered. Get a classmate’s number.

**Homework assignments:** You must submit the required homework by the due date/time and in the correct format in order to get credit for it. Submit homework to masviland@pvamu.edu. See separate instructions in eCourses.

Homework submitted correctly will get a brief response that it has been received.

**No late work** is accepted. Make sure that you know the due date AND time for assignments. Any scheduling conflicts that result in missing exams or assignment deadlines must be discussed with me beforehand or the resulting grade is zero. Save my number on your phone for the duration of the semester.

**Textbook:** The textbook is mandatory for this course. I expect every student to have access to a copy of the required text(s) for this course no later than the end of the second week of instruction. I recommend bringing the book to class. Read the assigned material from the text(s) *before* coming to class.

**eCourses:** ALL assignments, homework, special notices, and grades will be in eCourses. Please check your PV email and eCourses regularly. Assignments and exams have a due date AND time. Course assignments must be accessed
through the course modules in order to display fully. If files are accepted for the assignment, accepted file types are Word, PDF, PowerPoint & Rich Text.

**Cell phones/ Laptops:** Phones and laptops must be used for class purposes only.

**Academic Misconduct/Cheating:** Expect severe penalties for academic misconduct. The minimum penalty is a grade of zero on the assignment. You are responsible for knowing and adhering to PVAMU policies on plagiarizing and academic misconduct. Some examples of cheating are:

- Cooperating with other students on individual assignments;
- Using outside sources without proper acknowledgment (even if you change the words);
- Falsely turning in an assignment as your own;
- Signing someone else’s name on sign-in sheets;
- Making minor changes to another student’s work and turning it in as your own;
- Letting someone else take your exam;
- Looking at your phone, notes, or textbook during in-class, closed book exams.

*See Student Handbook for further explanations and examples. You are responsible for anything submitted from your eCourses account. Do not allow others to use your account!*

**Exams:** Exams will cover ALL the material in the assigned chapters from the textbook. Class lectures and discussions will be highlights, applications, and expansion of text material. If you want to do well in the class, you MUST study all the assigned chapters. If you miss an exam, your grade is zero. Exams may be made up for full or partial grade if proper documentation of the absence is provided or it has been arranged with me before the scheduled exam in class.

**Written Assignments/Homework/Discussions:** In this class you will use report style, NOT essay style in your writing. This requires a different formatting approach. In general: Use standard document formatting (Word defaults) for all written assignments (1 in margins, 1.15 line spacing). Use block style paragraphs. Use titles and headers in your writing. Cover pages are not necessary unless specifically specified in the assignment instructions. Write your name in the subject line for discussions/online homework. Left-justify all reports, please (ragged right edge).

Required content for assignments will be thoroughly explained in eCourses and in class. If you have any questions regarding assignments, please check instructions in eCourses before contacting me for assistance.

Assignments submitted in eCourses will have a deadline noted – make sure you know the day AND time. I will not reopen closed assignments or exams. Documents uploaded to eCourses must be in Word, PDF, PowerPoint, or Rich Text.

**Presentations:** You will have an assigned presentation day and this is your only chance to give your presentation. Presenters are required to wear **business casual** dress. This demonstrates a level of preparedness and professionalism. Some presentations require **business professional** dress and this will be announced in the assignment directions. NO make-ups for missed presentations. See me if you have issues with your assigned presentation day.

No entry into or exit from classroom during a presentation!

**Professional participation:** I encourage your respectful comments and questions. Be prepared to discuss the day’s topic and offer real life examples or thoughts you have about the readings, etc. Be polite, raise your hand, and wait for your turn to speak.
**Professional participation expectations:** You are expected to follow these general rules of conduct in class:

- Silence and put away cell phones
- No cheating/plagiarizing
- Enter quietly if tardy
- No walking in front of a speaker (including me)
- No entering the room when a student is presenting
- No inappropriate side conversations
- No sleeping in class
- Do not leave class in the middle or early
- No working on non-class items on laptop
- Wear COB appropriate clothing

*Expect to be asked to leave if the class room rules are ignored.*

**Ask for help:** If there is something going on in your personal life that is affecting your performance in class, please contact me so we can make a plan to help you be successful. If you let me know before an assignment is due, I may be able to find a way to help you. Once the due date has passed, there is not much I can do to help.

**How to be successful in this class:** You must keep up with chapter readings, connect regularly with team partners, read and follow all instructions, and submit work on time.

**Student grades and responsibilities:** All grades will be posted in eCourses, including a running average/total of your grades. Please keep up with your grades! Be aware of the value of different assignments. A 90 on a 200 point assignment is not a good grade! You should keep all your graded assignments until final grades are posted. *Any problems with assignment grades must be discussed with me within two weeks of the assignment deadline or your grade will be final.* If you need advice on how to improve your grade, please contact me. It is your responsibility to know the content of this syllabus so please check it often.

**Contacting your instructor:** Use eCourses email for class-related questions/concerns other than homework submissions. If you send me an email or leave a message on my phone, you can expect a response within 24 hours (M-Th). Emails/messages on Friday through Sunday can expect a reply Monday morning. Please contact me again if you do not receive a response within this time. Make sure you state your name and class so I know who you are.

**Extra Credit Opportunities:** Throughout the semester there may be opportunities to earn extra credit. You should come and talk to me if this is something you are interested in.

**Taskstream**
Taskstream is a tool that Prairie View A&M University uses for assessment purposes. One of your assignments may be required to be submitted as an "artifact," an item of coursework that serves as evidence that course objectives are met. If applicable, more information will be provided during the semester, but for general information, you can visit Taskstream via the link in eCourses.

University Rules and Procedures

Academic Misconduct
Academic dishonesty is defined as any form of cheating or dishonesty that has the effect or intent of interfering with any academic exercise or fair evaluation of a student's performance. The college faculty can provide additional information, particularly related to a specific course, laboratory, or assignment.

You are expected to practice academic honesty in every aspect of this course and all other courses. Make sure you are familiar with the University Administrative Guidelines on Academic Integrity, which can be found on the Academic Integrity webpage. Students who engage in academic misconduct are subject to university disciplinary procedures. As listed in the University Administrative Guidelines on Academic Integrity, the University Online Catalog, and the Student Code of Conduct, the following are examples of prohibited conduct. This list is not
designed to be all-inclusive or exhaustive. In addition to academic sanctions, any student found to have committed academic misconduct that is also a violation of criminal law may also be subject to disciplinary review and action by the Office of Student Conduct (as outlined in the Student Code of Conduct).

**Forms of Academic Dishonesty:**

1. **Cheating:** Deception in which a student misrepresents that he/she has mastered information on an academic exercise that he/she has not learned, giving or receiving aid unauthorized by the instructor on assignments or examinations. Examples: unauthorized use of notes for a test; using a "cheat sheet" on a quiz or exam; any alteration made on a graded test or exam which is then resubmitted to the teacher;

2. **Plagiarism:** Careless or deliberate use of the work or the ideas of another; representation of another's work, words, ideas, or data as your own without permission or appropriate acknowledgment. **Nonacademic Misconduct**
The university respects the rights of instructors to teach and students to learn. Maintenance of these rights requires campus conditions that do not impede their exercise. Campus behavior that interferes with either (1) the instructor's ability to conduct the class, (2) the inability of other students to profit from the instructional program, or (3) campus behavior that interferes with the rights of others will not be tolerated. An individual engaging in such disruptive behavior may be subject to disciplinary action. The Office of Student Conduct will adjudicate such incidents under nonacademic procedures.

**Sexual Misconduct**
Sexual harassment of students and employees at Prairie View A&M University is unacceptable and will not be tolerated. Any member of the university community violating the university's sexual harassment policy will be subject to disciplinary action. In accordance with the Texas A&M University System guidelines, your instructor is obligated to report to the Office of Title IX Compliance (titleixteam@pvamu.edu) any instance of sexual misconduct involving a student, which includes sexual assault, stalking, dating violence, domestic violence, and sexual harassment, about which the instructor becomes aware during this course through writing, discussion, or personal disclosure. The faculty and staff of PVAMU actively strive to provide a learning, working, and living environment that promotes respect that is free from sexual misconduct, discrimination, and all forms of violence. If students, faculty, or staff would like assistance or have questions, they may contact the Title IX Coordinator at 936-261-2144 or titleixteam@pvamu.edu. More information can be found at www.pvamu.edu/titleix, including confidential resources available on campus.

**Protections and Accommodations for Pregnant and Parenting Students**
The U.S. Department of Education’s Office for Civil Rights (OCR) enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex, sexual orientation, and gender identity in education programs or activities that receive federal financial assistance. This protection includes those who may be pregnant and parenting. Title IX states: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” Students seeking accommodations related to pregnancy or parenting should contact the Office of Title IX for information, resources, and support at titleixteam@pvamu.edu. Additional information and/or support may be provided by the Office of Disability Services or the Office of the Dean of Students.

It seeks to establish an environment that is free of bias, discrimination, and harassment. If you experience an incident of discrimination or harassment, we encourage you to report it. The Director of Equal Opportunity & Diversity has been designated to handle inquiries regarding the non-discrimination policies and can be reached at Harrington Science Building, Suite 109 or by phone at 936-261-1744 or 1792.

Class Attendance Policy (See the University Online Catalog for Full Attendance Policy)
Prairie View A&M University requires regular class attendance. Attending all classes supports the full academic development of each learner, whether classes are taught with the instructor physically present or via distance learning technologies such as interactive video and/or the internet. Excessive absenteeism, whether excused or unexcused, may result in a student's course grade being reduced or in the assignment of a grade of "F." Absences are accumulated beginning with the first day of class during regular semesters and summer terms. Each faculty member will include the University's attendance policy in each course syllabus.

Student Academic Appeals Process
Authority and responsibility for assigning grades to students rest with the faculty. However, in those instances where students believe that miscommunication, errors, or unfairness of any kind may have adversely affected the instructor's assessment of their academic performance, the student has a right to appeal by the procedure listed in the University Online Catalog and by doing so within thirty days of receiving the grade or experiencing any other problematic academic event that prompted the complaint.

Netiquette (online etiquette)
Students are expected to participate in all discussions and virtual classroom chats as directed. Students are to be respectful and courteous to others on discussion boards. Foul or abusive language will not be tolerated. Do not use ALL CAPS for communicating to others AS IT CAN BE INTERPRETED AS YELLING. Avoid slang terms such as "wassup?" and texting abbreviations such as "u" instead of "you." Limit and possibly avoid the use of emoticons. Be cautious when using humor or sarcasm as tone is sometimes lost in an email or discussion post, and the message
might be taken seriously or sound offensive.

**Video Conferencing Etiquette**

When using Zoom, WebEx, or other video conferencing tools, confirm the visible area is tidy, clear of background clutter, inappropriate or offensive posters, and other distractions. Ensure you dress appropriately and avoid using high traffic or noisy areas. Stay muted when you are not speaking and avoid eating/drinking during the session. Before the class session begins, test audio, video, and lighting to alleviate technology issues.

**Technical Support**

Students should go to [https://mypassword.pvamu.edu/](https://mypassword.pvamu.edu/) if they have password issues. The page will provide instructions for resetting passwords and contact information if login issues persist. For other technical questions regarding eCourses, call the Center for Instructional Innovation and Technology Services at 936-261-3283 or email ciits@pvamu.edu.

**Communication Expectations and Standards**

Emails or discussion postings will receive a response from the instructor, usually in less than 48 hours. Urgent emails should be marked as such. Check regularly for responses.

**Discussion Requirement**

Online courses often require minimal to no face-to-face meetings. However, conversations about the readings, lectures, materials, and other aspects of the course can occur in a seminar fashion. The use of the discussion board will accomplish this. The instructor will determine the exact use of discussion boards.

*It is strongly suggested* that students type their discussion postings in a word processing application such as Word and save it to their PC or a removable drive before posting to the discussion board. This is important for two reasons: 1) If for some reason your discussion responses are lost in your online course, you will have another copy; 2) Grammatical errors can be greatly minimized by the use of the spell-and-grammar check functions in word processing applications. Once the post(s) have been typed and corrected in the word processing application, copy and paste to the discussion board.

**COVID-19 Campus Safety Measures**

To promote public safety and protect students, faculty, and staff during the coronavirus pandemic, PVAMU has adopted policies and practices to limit virus transmission.

- **Self-reporting** – Students who test positive for COVID-19 are required to report their positive test results within 48 hours using the [PVAMU Self-Reporting Form](https://mypassword.pvamu.edu/). Proof of off-campus and self-administered home test results must be sent to covid-19@pvamu.edu. Proof for self-administered home test is a picture of the test with a photo ID in the same photo.
- **Self-monitoring** – Students should follow public health guidance to help slow the spread of the virus, including being vaccinated. Students who have a fever or exhibit symptoms of COVID-19 should not participate in face-to-face instruction.
- **Face Coverings** – Face coverings (KN-95, surgical mask, etc.) are highly recommended in classrooms, teaching laboratories, common spaces such as lobbies and hallways, public study spaces, libraries, academic resource and support offices, and outdoor spaces where 6 feet of physical distancing is challenging to maintain reliably.
- **Physical Distancing** – Physical distancing should be maintained between students, instructors, and others in course and course-related activities where possible.
- **Personal Illness and Quarantine** – Students required to quarantine are to participate in courses and course-related activities remotely and must not attend face-to-face course activities. Communication with the student’s instructor for remote support will take place by the Office of the Assistant Vice President for Academic Engagement and Success. Students under quarantine are expected to participate in courses and complete graded work unless they have symptoms that are too severe to participate in course activities. Students experiencing personal injury or illness that is too severe for the student to attend class may qualify for an excused absence. To receive an excused absence, students must provide appropriate documentation to the Office for Student Conduct, studentconduct@pvamu.edu.
- **Questions** – For answers regarding COVID-19 policies and/or procedures, students should refer to [www.pvamu.edu/coronavirus](http://www.pvamu.edu/coronavirus) or email covid-19@pvamu.edu.
