

ELEG 7691-P05 Doctoral Dissertation I

Spring 2024

Prairie View A&M University (PVAMU) requires a dissertation or doctoral project for all doctoral candidates and a thesis for all thesis option master's candidates. The thesis or dissertation should be presented in a scholarly, well-integrated and properly documented manner, and should contain original work completed by the student under the supervision of an advisory committee. The information provided is intended to assist students with information regarding formatting, set up deadlines, and submission of thesis and dissertation.

The Dissertation I of the Doctoral Program has a few major steps listed below:

1. Initiate the Chair Agreement form #1
2. complete the Committee Member Agreement form #2.
3. Initiates the Thesis/Dissertation/Doctoral Project Approval form #3
4. Complete the Non-PVAMU Committee Member Agreement Form
5. Complete Dissertation Proposal Presentation and Documentation
6. Proposal Defense Outcome for Dissertation II
