CLASS POLICY

Policies for Class Meetings

Attendance and Class Exercises
Prairie View A&M University requires regular class attendance. Class attendance will be measured by participation in class activities such as discussions and exercises. Active class participation is required for all classes. In some classes, exercises are submitted for credits. The submission methods vary for different assignments. Specific instructions will be provided during class meetings. The dates and the total number of submissions are not announced.

Arriving late or Leaving early
In order to succeed in this class, it is vital that you attend class regularly and on time. When you are late to class you miss part of the material and disrupt the class environment. Since we have a limited time per class, class will start promptly and the door may be locked after 5 minutes. Please be respectful of your classmates by being polite and courteous in class. If you miss class activities because of arriving late or leaving early, you will not receive credits for that activity and will not be allowed to make up the activity.

Excused Absence
For class exercises, no makeup will be allowed except under documented emergency or university excused absences. For those with a university approved absence, it is the student’s responsibility to notify the instructor PRIOR to the class VIA EMAIL in order to be eligible to sit for a make-up examination. Along with written excuse, arrangements to take the make-up exam will need to be made by the student within one week of return. In case of unforeseeable emergency, students should communicate with the instructor as soon as possible. Student will NOT receive credits if they fail to notify the instructor or fail to provide documentation in a timely manner.

Electronic Devices
Computers and cell phones may be used only when instructed for the purposes of doing class exercises and submitting assignments. Violation of this policy may result in being asked to leave the classroom.

Dress Code
Finally, although the College of Business does not enforce a “dress code,” we are all looking to succeed within the business community. To succeed in the business community, you will be expected to dress accordingly. Although business attire is not required, certain minimum standards should be applied. Be proud of what you wear and the impression you make on others. No “Sagging” – it is distracting and is not appropriate for a business environment.

Policies for Online Assignments

Homework
The homework exercises are designed to supplement and reinforce course materials. Assignments will be completed and submitted online through the WileyPLUS. There is no alternative ways of completing the homework assignments.

Due dates and late submissions
Homework assignments are available on Thursdays and due by the midnight of the following Tuesday. After the due date and before the following exam, you may still submit your homework for 50% credits. Specific due dates and assignment policies are specified on WileyPlus for each assignment.

Registration
See flyer on eCourses for WileyPLUS registration. WileyPLUS offers two weeks of free trial. You are responsible for purchasing the access code and registering for the class within the first two weeks. Students who do not expect to purchase the e-book with WileyPLUS within the free two weeks SHOULD NOT TAKE THE CLASS. There are no extensions of due dates for homework due to purchasing and registration issues.
Technical Issues
Technical support is available within WileyPLUS 24/7. Don’t wait until the last minute to complete these assignments because only system-wide issues will result in any extensions to due dates.

Policies for Exams

Exam Schedule and Make-ups
Exam 1 and 2 will be given during your normal class period. The final exam will be given as a Common Final on the scheduled Common Final Date and Time. UNIVERSITY RULES AND PROCEDURES

Disability Statement (Also See Student Handbook):
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact Disability Services, in Evans Hall, Room 317, or call 936-261-3585/3.

Academic Misconduct (See Student Handbook):
You are expected to practice academic honesty in every aspect of this course and all other courses. Make sure you are familiar with your Student Handbook, especially the section on academic misconduct. Students who engage in academic misconduct are subject to university disciplinary procedures.

Forms of Academic Dishonesty:
1. Cheating: deception in which a student misrepresents that he/she has mastered information on an academic exercise that he/she has not mastered; giving or receiving aid unauthorized by the instructor on assignments or examinations.

2. Academic misconduct: tampering with grades or taking part in obtaining or distributing any part of a scheduled test.

3. Fabrication: use of invented information or falsified research.

4. Plagiarism: unacknowledged quotation and/or paraphrase of someone else’s words, ideas, or data as one’s own in work submitted for credit. Failure to identify information or essays from the Internet and submitting them as one’s own work also constitutes plagiarism.

Nonacademic Misconduct (See Student Handbook)
The university respects the rights of instructors to teach and students to learn. Maintenance of these rights requires campus conditions that do not impede their exercise. Campus behavior that interferes with either (1) the instructor’s ability to conduct the class, (2) the inability of other students to profit from the instructional program, or (3) campus behavior that interferes with the rights of others will not be tolerated. An individual engaging in such disruptive behavior may be subject to disciplinary action. Such incidents will be adjudicated by the Dean of Students under nonacademic procedures.

Sexual Misconduct (See Student Handbook):
Sexual harassment of students and employers at Prairie View A&M University is unacceptable and will not be tolerated. Any member of the university community violating this policy will be subject to disciplinary action.

Title IX Statement
Prairie View A&M University (PVAMU) is committed to supporting students and complying with the Texas A&M University System non-discrimination policy. It seeks to establish an environment that is free of bias, discrimination,
and harassment. If you experience an incident of sex- or gender-based discrimination, including sexual harassment, sexual assault or attempted sexual assault, we encourage you to report it. While you may talk to a faculty member about an incident of misconduct, the faculty member must report the basic facts of your experience to Ms. Alexia Taylor, PVAMU’s Title IX Coordinator. If you would like to speak with someone who may be able to afford you privacy or confidentiality, there are individuals who can meet with you. The Title IX Coordinator is designated to handle inquiries regarding non-discrimination policies and can assist you with understanding your options and connect you with on- and off-campus resources. The Title IX Coordinator can be reached by phone at 936-261-2123 or in Suite 013 in the A.I. Thomas Administration Building.

Class Attendance Policy (See Catalog for Full Attendance Policy)

Prairie View A&M University requires regular class attendance. Attending all classes supports full academic development of each learner whether classes are taught with the instructor physically present or via distance learning technologies such as interactive video and/or internet.

Excessive absenteism, whether excused or unexcused, may result in a student’s course grade being reduced or in assignment of a grade of “F”. Absences are accumulated beginning with the first day of class during regular semesters and summer terms. Each faculty member will include the University’s attendance policy in each course syllabus.

Student Academic Appeals Process

Authority and responsibility for assigning grades to students rests with the faculty. However, in those instances where students believe that miscommunication, errors, or unfairness of any kind may have adversely affected the instructor’s assessment of their academic performance, the student has a right to appeal by the procedure listed in the Undergraduate Catalog and by doing so within thirty days of receiving the grade or experiencing any other problematic academic event that prompted the complaint.

Technical Support:

Students should go to https://mypassword.pvamu.edu/ if they have password issues. The page will provide instructions for resetting passwords and contact information if login issues persist. For other technical questions regarding eCourses, call the Office of Distance Learning at 936-261-3283

Communication Expectations and Standards:

Emails or discussion postings will receive a response from the instructor, usually in less than 48 hours. Urgent emails should be marked as such. Check regularly for responses.
Discussion Requirement:
Online courses often require minimal to no face-to-face meetings. However, conversations about the readings, lectures, materials, and other aspects of the course can take place in a seminar fashion. This will be accomplished by the use of the discussion board. The exact use of discussion will be determined by the instructor.

It is strongly suggested that students type their discussion postings in a word processing application and save it to their PC or a removable drive before posting to the discussion board. This is important for two reasons: 1) If for some reason your discussion responses are lost in your online course, you will have another copy; 2) Grammatical errors can be greatly minimized by the use of the spell-and-grammar check functions in word processing applications. Once the post(s) have been typed and corrected in the word processing application, it/they should be copied and pasted to the discussion board.
