| **Learning Resources:**   | PVAMU Library:  
Telephone: (936) 261-1500;  
web: http://www.tamu.edu/pvamu/library/  
Use the Reference Desk at the library where the staff is eager to guide your research. They can orient you to hard copies and on-line resources. |
The Writing Center
Telephone: (936) 261-3700
The Writing Center’s goal is to provide a friendly, stress-free environment for students from all over campus to meet with a consultant and talk about writing of all types. They provide a responsive audience and advice from experienced writers in sessions generally lasting thirty to forty-five minutes. Sessions of this length offer time to work individually with students on any aspect of the writing process: from brainstorming and drafting, to revising and proofreading. They will explore ways to improve a student’s overall writing skills. They do NOT proofread or edit for students, but instead teach proofreading and editing techniques. Their goal is to: make a better writer for the long term.

Student Academic Success Center
Telephone: (936) 261-1040
Student Academic Success Center identifies academic and social roadblocks that interfere with persistence and timely graduation of PVAMU students. SASC informs campus-wide policies by staying current with retention literature and best practices. Further, SASC develops programs and services that are specifically aimed at continuing the academic success of the first year. We strive to provide PVAMU students with “Navigation to Graduation.”

The Tutoring Center
John B. Coleman Library in Room 209
Telephone: (936) 261-1561
Hours: Monday through Thursday 12 pm to 9 pm and Friday from 8 am to 5 pm.
Email: AEtutoring@pvamu.edu
Open to all undergraduate students enrolled for credit in targeted PVAMU courses. offers help for:
- Microeconomics, Macroeconomics
- Management Information Systems
- History, Government
- Statistics, Basics – Calculus II
- Psychology, Sociology
- English (Basics – Freshman Comp II), Speech
- Spanish I&II
- Biology (Pre-Med, Pre-Nursing)
- Chemistry (Bio & Nursing Majors)
- Physics
- Materials & Science

Course Goals and Overview:
The goal of this course is to introduce students to both the basic and more sophisticated procedures, using Computer Aided drawing software and techniques, in order to enable them to become more proficient in their ability to design and communicate themselves using digital output.

Course Outcomes/Learning Objectives
At the end of this course, the students will:

- **2223.1** | Be able to create, scale, and plot drawings professionally
- **2223.2** | Be able to create, understand, and utilize professional line types and weights.
- **2223.3** | Demonstrate the ability to be proficient in several drawing and editing commands.
- **2223.4** | Be able to create drawings in both 2 and 3 dimensional formats.
Course Requirements & Evaluation Methods

This course will utilize the following instruments to determine student grades and proficiency of the learning outcomes for the course.

- **Assignments/Exercises:** Written/Electronic assignments designed to supplement and reinforce course material
- **Projects:** Assignments designed to measure ability to apply presented course material
- **Class Attendance/Participation:** Daily attendance and participation in class discussions

Grading Matrix

</table>

**Grade Determination:**

- A = 90-100 points (13,500 – 20,000 points)
- B = 80–89 points (12,000 – 13,499 points)
- C = 70–79 points (10,500 – 11,999 points)
- D = 60–69 points (9,000 – 10,499 points)
- F = 59 points or below (0 – 8,999 points)

Course Procedures

**Taskstream**

Taskstream is a tool that Prairie View A&M University uses for assessment purposes. One of your assignments may be considered an "artifact," an item of coursework that serves as evidence that course objectives are met. More information will be provided during the semester, but for general information, you can visit Taskstream via the link in eCourses.

**University Attendance Policy:**

Prairie View A&M University requires regular class attendance. Excessive absences will result in lowered grades. Excessive absenteeism, whether excused or unexcused, may result in a student's course grade being reduced or assignment of a grade of “F.” Absences are accumulated beginning with the first day of class.

**Instructor’s Attendance and Participation Policy**

As a student in the Computer-Aided Design course at Prairie View A&M University you are expected to attend each class. **Class attendance is recorded on roll sheets that are circulated to record your name and signature.** If you do not sign the roll, even if you attend the class, you will still be considered absent. Since attendance is critical to the learning objectives and the class discussions, a **100+ point involvement grade is awarded for each class period.** Attentiveness is important. For example, things that could cause you to lose points would be sleeping in class, working on other assignments in class, being late, being rude or being disruptive, excessive use of social networking sites, such as Instagram, Facebook, Twitter or other websites which do not pertain to what we are learning. At the end of the semester, the instructor will use attendance as a basis to determine any growth points, which may help you to earn the grade you desire. Participation and absences are accumulated beginning with the first day of class on January 14, 2020. If you do not come to class, you may assume that you have received zero (0) points for the class period unless you have a university approved excuse in one of the following classifications:

1. Participation in an activity appearing on the University authorized activity list.
2. Death or major illness in a student’s immediate family.
3. Illness of a dependent family member.
4. Participation in legal proceedings that requires a student's presence.
5. Religious holy day.
6. Confinement because of illness.
7. Required participation in military duties.

If you miss class for one of these reasons, you must provide a memorandum plus...
supporting documentation to clear the absence from your record. These documents will be accepted for ONE WEEK AFTER THE ABSENCE HAS OCCURRED. There will be NO exceptions to this rule. This includes student-athletes who are to provide university forms for reporting absences to participate in approved competitions. Emails will not be accepted to clear these absences. After that, the involvement grade stands. If you have another reason other than these seven for being absent, you may submit a memorandum with supporting documentation requesting that the absence be removed from you record for ONE WEEK AFTER THE ABSENCE HAS OCCURRED. There will be NO exceptions to this rule. All requests will be reviewed and approved or disapproved based upon the justification that you provide in your memorandum. While other reasons for being absent are rarely approved; it is understood that you might feel that there is a higher priority that requires you to miss class. In accepting your decision to miss class, you must also be willing to accept the instructor’s decision to not award you involvement points for the class or classes that are missed.

### Personal Conduct

Students and faculty are expected to conduct themselves in ways that support individual learning and the learning of others. To that end members of the classroom community will conduct themselves in a professional and ethical manner to achieve these objectives. Any conduct construed to interfere with the learning opportunities of members of the class may result in the removal of the student from the class for that day. Repeated inappropriate conduct will result in permanent removal from the class. Based upon the fact that you are preparing for professional employment, you are expected to adhere to the following specific guidelines:

1. **During regular class periods all students are expected to dress appropriately in accordance with university regulations so that no disruptions in the learning experience will occur.**

2. **No hats or caps will be allowed to be worn in the classroom during class sessions.** If you elect to wear a hat or cap during the lectures or class discussion, your decision will be respected. However, you should also respect the instructor’s decision to not award you daily participation points based upon that decision.

3. **Dress Code for Presentations:** Professional dress is expected for all design and technical presentations in class. Failure to adhere to the guidelines posted by the instructor will result in a deduction of ten percent (10%) from your final presentation score.

4. **No food or drink is allowed in the classroom at any time.**

5. **Cellular telephones are to be turned off or put on silent ring tone during the class period.** Texting is strictly prohibited during the class period. No ‘ear phone’ units will be allowed. If your cell phone rings during the lecture or you are texting you are subject to losing all participation point for that class period.

6. **Laptops must emit no noise.** Make sure your laptop is warmed up and your battery charged before class starts. A laptop is allowed only for taking notes or accessing relevant course material during the class. Checking email, playing a game, messaging and other non-class related activities are not allowed at any time.

7. **Harassment** of your fellow students of any kind will not be tolerated.

8. **No children, friends, family members or guests are allowed in the class without prior approval.** Failure to adhere to this rule will result in a “0” for that class period.

### Conduct of the Class and Care of the Facility

Please note the following rules for the conduct of the class.

1. **Class will begin at the appointed time.**

2. **Class is dismissed when so indicated by the instructor.** Students are expected to be on time and stay throughout the entire class period. Leaving the classroom before the class is dismissed without prior approval from the instructor will result in a loss of participation for that class.

3. **All class members are required to keep the classroom in a clean and orderly manner to facilitate the number of students using it each day.** Failure to maintain the classroom as requested by the instructor will result in a deduction in participation points for all class members for that date of instruction.

4. **Lecture Notes and Handouts** will be sent to your official university email. Handouts distributed during a class period will not be distributed at any other time. It is the student’s responsibility to get a copy form another student or source.
### Submission of Assignments:
Assignments are due at the start of the class session. No late work will be accepted without proper documentation. All assignments will be submitted either electronically or printed per the instructions of the Professor.

### Formatting Documents:
Microsoft Word is the standard word processing tool used at PVAMU. If you are using other word processors, be sure to save the document in either the Microsoft Word, Rich-Text, or plain text format.

### Exam Policy:
Exams should be taken as scheduled. No makeup examinations will be allowed except under documented emergencies (See Student Handbook).

### Professional Organizations and Journals

### References

### University Rules and Procedures

#### Disability Statement (See Student Handbook):
Students with disabilities, including learning disabilities, who wish to request accommodations in class should register with the Services for Students with Disabilities (SSD) early in the semester so that appropriate arrangements may be made. In accordance with federal laws, a student requesting special accommodations must provide documentation of their disability to the SSD coordinator. Students should also inform the instructor of their need for accommodations immediately at the outset of the course so that a solution designed to being successful in class can be produced.

#### Academic Misconduct (See Student Handbook):
You are expected to practice academic honesty in every aspect of this course and all other courses. Make sure you are familiar with your Student Handbook, especially the section on academic misconduct. Students who engage in academic misconduct are subject to university disciplinary procedures.

#### Forms of Academic Dishonesty:
1. **Cheating:** deception in which a student misrepresents that he/she has mastered information on an academic exercise that he/she has not mastered; giving or receiving aid unauthorized by the instructor on assignments or examinations.
2. **Academic Misconduct:** tampering with grades or taking part in obtaining or distributing any part of a scheduled test.
3. **Fabrication:** use of invented information or falsified research.
4. **Plagiarism:** unacknowledged quotation and/or paraphrase of someone else’s words, ideas, or data as one’s own in work submitted for credit. Failure to identify information or essays from the Internet and submitting them as one’s own work also constitutes plagiarism.

#### Nonacademic Misconduct (See Student Handbook)
The university respects the rights of instructors to teach and students to learn. Maintenance of these rights requires campus conditions that do not impede their exercise. Campus behavior that interferes with either: (1) the instructor’s ability to conduct the class; (2) the inability of other students to profit from the instructional program, or (3) campus behavior that interferes with the rights of others will not be tolerated. An individual engaging in such disruptive behavior may be subject to disciplinary action. Such incidents will be adjudicated by the Dean of Students under nonacademic procedures.

#### Sexual Misconduct (See Student Handbook):
Sexual harassment of students and employers at Prairie View A&M University is unacceptable and will not be tolerated. Any member of the university community violating this policy will be subject to disciplinary action.

#### Student Academic Appeals Process
Authority and responsibility for assigning grades to students rests with the faculty. However, in those instances where students believe that miscommunication, errors, or unfairness of any kind may have adversely affected the instructor’s assessment of their academic performance, the student has a right to appeal by the procedure listed in the Undergraduate Catalog and by doing so within thirty days of receiving the grade or experiencing any other problematic academic event that prompted the complaint.

### Technical Considerations for Online and Web-Assist Courses

#### Minimum Hardware and Software Requirements
- Pentium with Windows XP or PowerMac with OS 9
- 56K modem or network access
- Internet provider with SLIP or PPP
- 8X or greater CD-ROM
- 64MB RAM
- Hard drive with 40MB available space
- 15” monitor, 800x600, color or 16 bit
- Sound card w/speakers
- Microphone and recording software
- Keyboard & mouse
- Netscape Communicator ver. 4.61 or Microsoft Internet Explorer ver. 5.0 /plug-ins

Participants should have a basic proficiency of the following computer skills:
- Sending and receiving email
- A working knowledge of the Internet
- Proficiency in Microsoft Word
- Proficiency in the Acrobat PDF Reader
- Basic knowledge of Windows or Mac O.S.

**Netiquette (online etiquette):**

Students are expected to participate in all discussions and virtual classroom chats when directed to do so. Students are to be respectful and courteous to others in the discussions. Foul or abusive language will not be tolerated. When referring to information from books, websites or articles, please use APA standards to reference sources.

**Technical Support:**

Students should call the Prairie View A&M University Helpdesk at 936-261-2525 for technical issues with accessing your online course. The helpdesk is available 24 hours a day/7 days a week. For other technical questions regarding your online course, call the Office of Distance Learning at 936-261-3290 or 936-261-3282.

**Communication Expectations and Standards:**

All emails or discussion postings will receive a response from the instructor, usually within 48 hours. Urgent emails should be marked as such. Check regularly for responses. You can send email anytime that is convenient to you, but the instructors will check their email messages continuously during the work-week (Monday through Friday) during normal office hours. Instructors should respond to email messages during the work-week by the close of business (5:00 pm) on the day following their receipt of them. Emails received on Friday will be responded to by the close of business on the following Monday.

---

**ACCREDITATION/ASSESSMENT CRITERIA Table No. 1-NAAB CRITERIA**

This course is structured to assist the student meet the following criteria shown in Table No. 1 as established by the National Architectural Accreditation Board (NAAB). To view the entire list, go to the NAAB website, [www.naab.org](http://www.naab.org) and access “2014 NAAB Conditions for Accreditation.”

## 16 WEEK CALENDAR

### Week One: Topic January 13-17, 2020

**Class Introduction, Registration finalization,**

**Chapter (s):**

**Assignment (s):**

**AutoCAD Initial set-up (January 16th)**

**University Events:**

- January 13, 2018 (Monday) Tuition & Fees Payment Due Date. Late Registration Fee Begins ($50.00)
- January 15, 2018 (Wednesday) UNDERGRADUATE: LATE REGISTRATION/ADD COURSES/CHANGE COURSE SCHEDULE ENDS. LAST DAY TO CHANGE MAJOR OR ANY OTHER MATRICULATION CHANGE FOR SPRING 2019

### Week Two: Topic January 20-24, 2020

**CAD Commands; 2D Assignment 1 (January 21st)**

**Chapter (s):**

**Assignment (s):**

**University Events:**

- January 20, 2020 (Monday) MARTIN LUTHER KING DAY (University Closed)
- January 13-22, 2020 (Monday) Attendance Reporting Period. Students who do not attend class during this period will have their courses removed and financial aid reduced or cancelled.
- January 23, 2020 (Thursday) GENERAL STUDENT ASSEMBLY: All students to attend. (Date and Time to be announced/confirmed.)

### Week Three: Topic January 27-30, 2020

**CAD Commands; 2D Assignment 2 (January 23rd)**

**Chapter (s):**

**Assignment (s):**

**CAD Commands; 2D Assignment 3 (January 28th)**

**University Events:**

- January 29, 2020 (Wednesday) CENSUS DATE (12TH CLASS DAY): COURSE RESERVATIONS CANCELLED FOR NON-PAYMENT.
- LAST DAY TO WITHDRAW FROM COURSE WITHOUT ACADEMIC RECORD.
- SPRING 2020 GRADUATION LATE APPLICATION DEADLINE. There will be NO exceptions to this deadline.
### Week Four: Topic February 3-7, 2020

- **Chapter (s):** CAD Commands; 3D Assignment 1 (January 30th)
- **Assignment (s):** CAD Commands; 3D Assignment 2 (February 4th)
- **University Events:**
  - February 4, 2020 [Monday]
  - 20th Class Day
  - Drop for Non-Payment of Tuition and Fees @ 5:00 p.m.

### Week Five: Topic February 10-14, 2020

- **Chapter (s):** CAD Commands; 3D Assignment 3 (February 6th)
- **Assignment (s):** CAD Smart Object Commands (February 11th)
- **University Events:**
  - February 12, 2020 [Wednesday]
  - Architecture/Digital Media Arts Career Fair

### Week Six: Topic February 17-21, 2020

- **Chapter (s):** 3D Section Model Project (February 13th)
- **Assignment (s):** 3D Section Model Project Workday (February 18th)
- **University Events:**

### Week Seven: Topic February 24-28, 2020

- **Chapter (s):** 3D Section Model Project Workday (February 20th)
- **Assignment (s):** 3D Section Model Project Due!!! (February 25th)
- **University Events:**

### Week Eight: Topic March 2-6, 2020

- **Chapter (s):** Introduction to 3D Max; Issue 3D Interior/Exterior Project (March 3rd)
- **Assignment (s):** 3D Interior/Exterior Project Workday, Research, Selection (March 5th)
- **University Events:**

### Mid-Term Exam

- **March 5-7, 2020 Thursday through Saturday**

### Week Nine: Topic March 9-13, 2020

- **University Events:**

### Week Ten: Topic March 16-20, 2020

- **Chapter (s):** 3D Interior/Exterior Project Workday (March 17th)
- **Assignment (s):** 3D Interior/Exterior Project Workday (March 19th)
- **University Events:**

### Week Eleven: Topic March 23-27, 2020

- **Chapter (s):** 3D Interior/Exterior Project Finalization (March 24th)
- **Assignment (s):** 3D Interior/Exterior Project Due!!! (March 26th)
- **University Events:**

---

**NOTE!** WITHDRAWAL FROM COURSES “WITH ACADEMIC RECORD” (W) BEGINS; ENDS MARCH 27, 2020
