SYLLABUS

CHEM 1021, Inorganic Chemistry Lab II
Spring 2020

Instructor: Dr. Matthew B. Minus
Section # and CRN: P50 26881
Office Location: 330 AF, New Science Building
Office Phone: (936) 261-3104
Email Address: maminus@pvamu.edu (preferred method of contact)
Office Hours: M, W 10 am – 12 pm & T, R 8-9 am and by appointment
Mode of Instruction: Face to face
Course Location: Room 201, New Science Building
Class Days & Times: T, 11:00am – 12:50pm
Catalog Description: CHEM 1021 Inorganic Chemistry Laboratory 2: 2 semester hours.
A general laboratory course covering aspects of volumetric and gravimetric analysis, qualitative analysis, and the determination of chemical and physical properties.

Prerequisites:
Co-requisites:

Required Texts: Modular Laboratory Program in Chemistry (Provided by Department of Chemistry)

Recommended Texts:

Student Learning Outcomes:

<table>
<thead>
<tr>
<th>Upon successful completion of this course, students will be able to:</th>
<th>Program Learning Outcome # Alignment</th>
<th>Core Curriculum Outcome Alignment</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Be able to use conversion factors in metric or U.S. units and apply the significant figure concept</td>
<td></td>
</tr>
<tr>
<td>2</td>
<td>Be able to understand the difference between density and specific gravity and the temperature scales and their applications to real world situations</td>
<td></td>
</tr>
<tr>
<td>3</td>
<td>Demonstrate the ability to draw models of simple atoms including the electronic configuration, write correct symbols and names of atoms, and categorize the elements on the periodic chart</td>
<td></td>
</tr>
<tr>
<td>4</td>
<td>Define chemistry concisely and with clarity</td>
<td></td>
</tr>
<tr>
<td>5</td>
<td>Be able to write correct formulas of compounds, write balanced chemical equations and identify various reaction types</td>
<td></td>
</tr>
</tbody>
</table>

Major Course Requirements

Method of Determining Final Course Grade
<table>
<thead>
<tr>
<th>Course Grade Requirement</th>
<th>Value</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>1) 10 Experiments</td>
<td>100 x 10</td>
<td>1000</td>
</tr>
<tr>
<td><strong>Total:</strong></td>
<td></td>
<td><strong>1000</strong></td>
</tr>
</tbody>
</table>

**Grading Criteria and Conversion:**
A = 1000 – 925pts;
B = 924 – 900pts;
C = 899 – 800pts;
D = 799 – 700pts;
F = 699 pts or below

**Detailed Description of Assignments:**

<table>
<thead>
<tr>
<th>Assignment Title or Grade Requirement</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prelab</td>
<td>Prelab assignment must be completed before each lab experiment. <strong>30%</strong></td>
</tr>
<tr>
<td>Data Sheet</td>
<td>A datasheet for each lab will be completed and turned in the following class period. <strong>30%</strong></td>
</tr>
<tr>
<td>Post Lab</td>
<td>Post lab questions must be completed and turned in the following class period. <strong>30%</strong></td>
</tr>
<tr>
<td>Lab Performance/Cleanliness</td>
<td>Students must be present, punctual, and active during experiments. Must clean lab area. <strong>10%</strong></td>
</tr>
</tbody>
</table>

**Course Procedures or Additional Instructor Policies**

**Taskstream**
Taskstream is a tool that Prairie View A&M University uses for assessment purposes. At least one of your assignments is **REQUIRED** to be submitted as an "artifact," an item of coursework that serves as evidence that course objectives are met. More information will be provided during the semester, but for general information, you can visit Taskstream via the link in eCourses.

**Detailed Description of Assignments:**

**Description**
Each student is required to: follow the safety guidelines for a safe laboratory experience; pay close attention to the instructor; wear safety goggles/glasses (available in lab) while in class; read the experimental procedure and do the prelab **prior** to coming to the class; clean work area and place all items in the designated storage area prior to leaving the laboratory class; report broken or missed equipment to the instructor

**Submission of Assignments:**
Lab work is to be submitted on day of experiment or the following lab period. **LATE WORK WILL NOT BE ACCEPTED.**

**Formatting Documents:** Microsoft Word is the standard word processing tool used at PVAMU. If you’re using other word processors, be sure to use the “save as” tool and save the document in either the Microsoft Word, Rich-Text, or plain text format.

**Exam Policy**
Exams should be taken as scheduled. No makeup examinations will be allowed except under documented emergencies (See Student Handbook).
Semester Calendar

Week One: Lab Safety – TECH 430
Week Two: PROP 377 - Determining Molar Volume of Oxygen
Week Three: STRC 434 - Writing Lewis Symbols and Lewis Structures
Week Four: PROP 391 - Solutions
Week Five: KINE 505 - Studying the Rate of the Reaction of Potassium Permanganate and Oxallic Acid (Part 1)
Week Six: KINE 505 - Studying the Rate of the Reaction of Potassium Permanganate and Oxallic Acid (Part 2)
Week Seven: Midterm EQU 404 - Studying Chemical Equilibria and Applying Le Chatelier’s Principle Using Micro Scale Techniques (Part 1)
Week Eight: EQU 404 - Studying Chemical Equilibria and Applying Le Chatelier’s Principle Using Micro Scale Techniques (Part 2)
Week Nine: EQU 465 - Using Acid Base indicators to Visibly Estimate the pH of Solutions
Week Ten: ANAL 466 - Standardizing a Sodium Hydroxide Solution and Using it to Analyze Vinegar
Week Eleven: ELEC 450 - Studying Electrochemical Half-Cells and Half-Reactions
Week Twelve: SYNT 439 - Synthesizing Aspirin
Week Thirteen: Makeup Lab
Week Fourteen: FINAL

Student Support and Success

John B. Coleman Library
The library and its partners have as their mission to provide resources and instructional material in support of the evolving curriculum, as a partner in Prairie View A&M University’s mission of teaching, research, and service and to support the University’s core values of access and quality, diversity, leadership, relevance, and social responsibility through emphasis on ten key areas of service. It maintains library collections and access both on campus, online, and through local agreements to further the educational goals of students and faculty. https://www.pvamu.edu/library/ Phone: 936-261-1500

The Learning Curve (Center for Academic Support)
The Learning Curve offers Tutoring via peer tutoring. The services include workshops (i.e., Save My Semester, Recalculate Your Route), seminars (i.e., Tools You Can Use: TI-84), group review sessions (i.e., College Algebra Topic Reviews, GRE Preparation), group study opportunities (i.e., TSIA, HESI, Study Break, Exam Cram), and test-taking strategies (How to take Notes, Study Buddy, 5 Day Study Guide). The Learning Curve is a nationally certified tutoring program through the National Tutoring Association. The peer tutors are trained and certified by the coordinator each semester. Location: J.B. Coleman Library Rm. 207F. Phone: 936-261-1561
The Center for the Oversight and Management of Personalized Academic Student Success (COMPASS)
The Center for the Oversight and Management of Personalized Academic Student Success (COMPASS) is designed to help Prairie View students in their second year and beyond navigate towards graduation by providing the following services: Academic Advisement, Targeted Tutorials for Personalized Learning, Campus-Wide Referrals, and Academic & Social Workshops. Location: J.B. Coleman Library Rm. 306. Phone: 936-261-1040

Writing Center
The Writing Center provides student consultants on all aspects of the writing process and a variety of writing assignments. Writing Center consultations assist students in such areas as prewriting, brainstorming, audience awareness, organization, research, and citation. Students taking on-line courses or courses at the Northwest Houston Center or College of Nursing may consult remotely or by email. Location: Hilliard Hall Rm. 121. Phone: 936-261-3724.

Student Counseling Services
The Student Counseling Services unit offers a range of services and programs to assist students in maximizing their potential for success: short-term individual, couples, and group counseling, as well as crisis intervention, outreach, consultation, and referral services. The staff is licensed by the State of Texas and provides assistance to students who are dealing with academic skills concerns, situational crises, adjustment problems, and emotional difficulties. Information shared with the staff is treated confidentially and in accordance with Texas State Law. Location: OwensFranklin Health Center Rm. 226. Phone: 936-261-3564

Testing
The Department of Testing administers College Board CLEP examinations, the HESI A2 for pre-nursing majors, LSAT for law school applicants and MPRE for second-year law students, the Experiential Learning Portfolio option, the Texas Success Initiative (TSI) Assessment, which determines college readiness in the state, and exam proctoring, among other service such as SAT and ACT for high school students. Location: Delco Rm. 141. Phone: 936-261-4286

Office of Diagnostic Testing and Disability Services
As a federally-mandated educational support unit, the Office of Disability Services serves as the repository for confidential disability files for faculty, staff, and students. For persons with a disability, the Office develops individualized ADA letters of request for accommodations. Other services include: learning style inventories, awareness workshops, accessibility pathways, webinars, computer laboratory with adapted hard and software, adapted furniture, proctoring of non-standardized test administrations, ASL interpreters, ALDs, digital recorders, livescribe, Kurtzweil, and a comprehensive referral network across campus and the broader community. Location: Evans Hall Rm. 317. Phone: 936-261-3585

Veteran Affairs
Veterans Services works with student veterans, current military and military dependents to support their transition to the college environment and continued persistence to graduation. The Office coordinates and certifies benefits for both the G.I. Bill and the Texas Hazlewood Act. Location: Evans Hall Rm. 323. Phone: 936-261-3563

Office for Student Engagement
The Office for Student Engagement delivers comprehensive programs and services designed to meet the co-curricular needs of students. The Office implements inclusive and accessible programs and services that enhance student development through exposure to and participation in diverse and relevant social, cultural, intellectual, recreational, community service, leadership development and campus governance. Location: Memorial Student Center Rm. 221. Phone: 936-261-1340

Career Services
Career Services supports students through professional development, career readiness, and placement and employment assistance. The Office provides one-on-one career coaching, interview preparation, resume and letter writing, and career exploration workshops and seminars. Services are provided for students at the Northwest Houston Center and College of Nursing in the Medical Center twice a month or on a requested basis. Distance Learning students are encouraged to visit the Career Services website for information regarding services provided. Location: Evans Hall Rm. 217. Phone: 936-261-3570

University Rules and Procedures
Disability Statement (Also See Student Handbook):
The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact Disability Services, in Evans Hall, Room 317, or call 936-261-3585/3.

**Academic Misconduct (See Student Handbook):**
You are expected to practice academic honesty in every aspect of this course and all other courses. Make sure you are familiar with your Student Handbook, especially the section on academic misconduct. Students who engage in academic misconduct are subject to university disciplinary procedures.

**Forms of Academic Dishonesty:**
1. Cheating: deception in which a student misrepresents that he/she has mastered information on an academic exercise that he/she has not mastered; giving or receiving aid unauthorized by the instructor on assignments or examinations.
2. Academic misconduct: tampering with grades or taking part in obtaining or distributing any part of a scheduled test.
3. Fabrication: use of invented information or falsified research.
4. Plagiarism: unacknowledged quotation and/or paraphrase of someone else’s words, ideas, or data as one’s own in work submitted for credit. Failure to identify information or essays from the Internet and submitting them as one’s own work also constitutes plagiarism.
5. Labs are done individually except if asked by instructor to work in groups. All pre-labs are also individual assignments and NO PLAGIARIZED WORK WILL BE ACCEPTED. A zero will be entered for your grade.

**Nonacademic Misconduct (See Student Handbook):**
The university respects the rights of instructors to teach and students to learn. Maintenance of these rights requires campus conditions that do not impede their exercise. Campus behavior that interferes with either (1) the instructor’s ability to conduct the class, (2) the inability of other students to profit from the instructional program, or (3) campus behavior that interferes with the rights of others will not be tolerated. An individual engaging in such disruptive behavior may be subject to disciplinary action. Such incidents will be adjudicated by the Dean of Students under nonacademic procedures.

**Sexual Misconduct (See Student Handbook):**
Sexual harassment of students and employers at Prairie View A&M University is unacceptable and will not be tolerated. Any member of the university community violating this policy will be subject to disciplinary action.

**Title IX Statement**
Prairie View A&M University (PVAMU) is committed to supporting students and complying with the Texas A&M University System non-discrimination policy. It seeks to establish an environment that is free of bias, discrimination, and harassment. If you experience an incident of sex- or gender-based discrimination, including sexual harassment, sexual assault or attempted sexual assault, we encourage you to report it. While you may talk to a faculty member about an incident of misconduct, the faculty member must report the basic facts of your experience to Ms. Alexia Taylor, PVAMU’s Title IX Coordinator. If you would like to speak with someone who may be able to afford you privacy or confidentiality, there are individuals who can meet with you. The Title IX Coordinator is designated to handle inquiries regarding non-discrimination policies and can assist you with understanding your options and connect you with on- and off-campus resources. The Title IX Coordinator can be reached by phone at 936-261-2123 or in Suite 013 in the A.I. Thomas Administration Building.

**Class Attendance Policy (See Catalog for Full Attendance Policy)**
Prairie View A&M University requires regular class attendance. Attending all classes supports full academic development of each learner whether classes are taught with the instructor physically present or via distance learning technologies such as interactive video and/or internet.
Excessive absenteeism, whether excused or unexcused, may result in a student’s course grade being reduced or in
assignment of a grade of "F". Absences are accumulated beginning with the first day of class during regular semesters and
summer terms. Each faculty member will include the University’s attendance policy in each course syllabus.

**Student Academic Appeals Process**

Authority and responsibility for assigning grades to students rests with the faculty. However, in those instances where
students believe that miscommunication, errors, or unfairness of any kind may have adversely affected the instructor's
assessment of their academic performance, the student has a right to appeal by the procedure listed in the Undergraduate
Catalog and by doing so within thirty days of receiving the grade or experiencing any other problematic academic event
that prompted the complaint.

**TECHNICAL CONSIDERATIONS**

**Minimum Recommended Hardware and Software:**

- Intel PC or Laptop with Windows 7; Mac with OS X; Smartphone or iPad/Tablet with Wi-Fi
- High speed Internet access
- 8 GB Memory
- Hard drive with 320 GB storage space
- 15" monitor, 800x600, color or 16 bit
- Sound card w/speakers
- Microphone and recording software
- Keyboard & mouse
- Most current version of Google Chrome, Safari, Internet Explorer or Firefox **Note:** Be sure to enable Java
  & pop-ups in the Web browser preferences

**Participants should have a basic proficiency of the following computer skills:**

- Sending and receiving email
- A working knowledge of the Internet
- Proficiency in Microsoft Word (or a program convertible to Word)
- Proficiency in the Acrobat PDF Reader
- Basic knowledge of Windows or Mac O.S.

**Netiquette (online etiquette):**

Students are expected to participate in all discussions and virtual classroom chats as directed. Students are to be
respectful and courteous to others on discussions boards. Foul or abusive language will not be tolerated.

**Technical Support:**

Students should go to [https://mypassword.pvamu.edu/](https://mypassword.pvamu.edu/) if they have password issues. The page will provide instructions
for resetting passwords and contact information if login issues persist. For other technical questions regarding
eCourses, call the Office of Distance Learning at 936-261-3283

**Communication Expectations and Standards:**

Emails or discussion postings will receive a response from the instructor, usually in less than 48 hours. Urgent emails
should be marked as such. Check regularly for responses.

**Discussion Requirement:**

Online courses often require minimal to no face-to-face meetings. However, conversations about the readings, lectures,
materials, and other aspects of the course can take place in a seminar fashion. This will be accomplished by the use
of the discussion board. The exact use of discussion will be determined by the instructor.

**It is strongly suggested** that students type their discussion postings in a word processing application and save it to
their PC or a removable drive before posting to the discussion board. This is important for two reasons: 1) If for some
reason your discussion responses are lost in your online course, you will have another copy; 2) Grammatical errors
can be greatly minimized by the use of the spell-and-grammar check functions in word processing applications. Once
the post(s) have been typed and corrected in the word processing application, it/they should be copied and pasted to
the discussion board.
