## Course Procedures:

| Class Attendance Policy (See Catalog for Full Attendance Policy) | Prairie View A&M University requires regular class attendance. Attending all classes supports full academic development of each learner whether classes are taught with the instructor physically present or via distance learning technologies such as interactive video and/or internet. Excessive absenteeism, whether excused or unexcused, may result in a student’s course grade being reduced or in assignment of a grade of “F”. Absences are accumulated beginning with the first day of class during regular semesters and summer terms. Each faculty member will include the University’s attendance policy in each course syllabus. |
| Instructor’s Attendance and Participation Policy | Prairie View A&M University requires regular class attendance. Attending all classes supports full academic development of each learner whether classes are taught with the instructor physically present or via distance learning technologies such as interactive video and/or internet. Absences are accumulated beginning with the first day of class during regular semesters and summer terms. If you fail to submit the weekly tasks when due, you will be marked absent for that week. Participation and absences are accumulated beginning with the first day of class on **January 18, 2022**. If you do not come to class, you may assume that you have received zero (0) points for the class period unless you have a university approved excuse in one of the following classifications:  
1. Participation in an activity appearing on the University authorized activity list.  
2. Death or major illness in a student’s immediate family.  
3. Illness of a dependent family member.  
4. Participation in legal proceedings that requires a student’s presence.  
5. Religious holy day.  
6. Confinement because of illness.  
7. Required participation in military duties.  
If you miss class for one of these reasons, you must provide a memorandum plus supporting documentation to clear the absence from your record. These documents will be accepted for **ONE WEEK AFTER THE ABSENCE HAS OCCURRED**. There will be NO exceptions to this rule. This includes student-athletes who are to provide university forms for reporting absences to participate in approved competitions. Emails will not be accepted to clear these absences. After that, the involvement grade stands. If you have another reason other than these seven for being absent, you may submit a memorandum with supporting documentation requesting that the absence be removed from your record for **ONE WEEK AFTER THE ABSENCE HAS OCCURRED**. There will be NO exceptions to this rule. All requests will be reviewed and approved or disapproved based upon the justification that you provide in your memorandum. While other reasons for being absent are rarely approved; it is understood that you might feel that there is a higher priority that requires you to miss class. In accepting your decision to miss class, you must also be willing to accept the instructor’s decision to not award you involvement points for the class or classes that are missed.  
| Personal Conduct | Students and faculty are expected to conduct themselves in ways that support individual learning and the learning of others. To that end members of the classroom community will conduct themselves in a professional and ethical manner to achieve these objectives. Any conduct construed to interfere with the learning opportunities of members of the class may result in the removal of the student from the class for that day. Repeated inappropriate conduct will result in permanent removal from the class. Based upon the fact that you are preparing for professional employment, you are expected to adhere to the following specific guidelines:  
1. During regular class periods **all students are expected to dress appropriately** in accordance with university regulations so that no disruptions in the learning experience will occur.  
2. **No hats or caps will be allowed to be worn in the classroom during class sessions.** If you elect to wear a hat or cap during the lectures or class discussion, your decision will be respected. However you should also respect the instructor’s decision to not award |

| 1. **Discussion/Zoom / Webcam Behavior** | When in a Zoom meeting or utilizing your webcam, be sure to act and dress as professionally as you can. You should look the same as you would if we were meeting face-to-face in the instructor’s office or in class. You should be sitting up in a chair and not laying down. Consider how you might look if you were going to be interviewed for a job via Zoom. If you feel as though your behavior or appearance would reflect negatively on you during that situation you are advised against it. You should also try to keep your physical environment where you are working on the class to be as quiet as possible. If there is a television or loud music playing in the background try to limit it, as it can inhibit your ability to be easily heard and understood.  
   - Be properly dressed- hair bonnets, caps, pajamas, etc., will not be acceptable when attending class and participating in the discussions.  
   - Be punctual  
   - Be kind to each other  
   - Please mute microphones when lecture is in session  
   - Have fun! |
| 2. When posting discussions or e-mailing one another, please be respectful of what you write. Inappropriate language will not be tolerated, and the instructor has the right to determine what is inappropriate. **Disrespectful students are subject to discipline or dismissal from the online learning platform for this course.** All activities in the classroom will follow standards set in the Student Handbook. |
| 3. When creating/posting images do NOT use graphics that have sexual, political or religious implications. If you are unsure if a certain graphic is appropriate, email your instructor privately.  
   - Address your peer or instructor with their names for each post or email  
   - Do not use ALL CAPS for postings or unnecessary exclamation marks, and not use text messaging-style for official assignment postings & email to the instructor. Caps where appropriate, example proper nouns and at the beginning of each sentence.  
   - When posting critiques, try to be positive with your remarks, at the same time well-seasoned with ideas and comments how your peers can improve their work. |
| 7. **This course requires that you give support and feedback to your classmate’s works. If you see that someone does not have any comments made, please review your classmate’s works by posting feedback.**  
   - 8. **Aim at getting your discussion assignments & projects in early. (The instructor permits revisions for better grades, most important personal enrichment and improvement if assignment is posted before the due date.) Late assignments or discussions can slow the class down and will not benefit you as the learner.**
