Prairie View A&M University (PVAMU) offers several Summer Bridge Programs for incoming freshmen students. These programs were implemented to support a comprehensive college experience and support network that enhances students’ personal responsibility and intellectual, civic, and social engagement.

ABOUT THE PROGRAMS

RESULT OF PARTICIPATING

- Earn free college credits
- Get a jump-start to college
- Network with peers and faculty

The PVAMU Summer Bridge Programs are completely free or have a minimal cost to our student participants. All programs have their own admission and acceptance requirements.
