MEMORANDUM

To: PVAMU Students

From: Steve Ransom
Associate Vice President for Student Affairs/Dean of Students

Date: October 15, 2021

Re: Mandatory Trainings

Hopefully this communication finds you healthy and enjoying the remainder of what is sure to be a busy semester. I am writing to remind you of the mandatory trainings you have previously received via your official PVAMU email account, as well as alert you to an additional Student Safe Practices training. As we all must do our part to contribute to a safe and healthy campus environment, please review the important information below:

- Completion of mandatory Alcohol EDU, Prescription Drug Awareness, and Sexual Assault training. Use the following link to access these trainings: https://admin.fifoundry.net/pvamu/sign_in
- Mandatory Student Safe Practices Training and Certification. Use the following link to access this training: https://launch.comevo.com/pvamu/1863/-/wc/Intake. The system will automatically confirm your training.

Thank you in advance for demonstrating your commitment to the safety of our community by focusing on the completion of these trainings by October 22, 2021. Here’s to a memorable semester as Panthers Push Forward!
