THE HISTORY OF
PRAIRIE VIEW A&M UNIVERSITY

Establishment

1876

Prairie View A&M University, the first state-supported college in Texas for African Americans, was established during the Reconstruction period after the Civil War. This was the historical period when political and economic special interest groups were able to aggressively use the federal government to enact public policy designated to “alter or reshape the cultural milieu of the vanquished Southern state.” The University had its beginning in the Texas Constitution of 1876 which, in separate articles, established an “Agricultural and Mechanical College” and pledged that “Separate schools shall be provided for the white and colored children, and impartial provisions shall be made for both.” As a consequence of these constitutional provisions, the Fifteenth Legislature established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth” on August 14, 1876.

Enrollment of the First Students

1878

The Board of Directors purchased the Alta Vista Plantation (1,338 acres) from Mrs. Helen Marr Kirby, the widow of the late Col. Jared Ellison Kirby. The College was named “Alta Vista Agricultural and Mechanical College for Colored Youth.” The Board, authorized to appoint a principal to administer the College, selected L.W. Minor of Mississippi. Eight young African American men, the first to enroll in a state-supported college in Texas, began their studies on March 11, 1878.

Era of Principals as Chief Administrative Officers

1878 - 1948

Prairie View strengthened and enlarged its curriculum and grew under the leadership of a series of dedicated principals. These men led the College during those difficult decades as Federal Reconstruction ended and the doctrine of “separate but equal” emerged with the Plessy v. Ferguson Supreme Court decision of 1896. The eight principals and their tenures were: L.W. Minor, 1878; E.H. Anderson, 1879-1884; Laurine C. Anderson, 1884-1894; Edward L. Blackshear, 1895-1915; Isaiah M. Terrell, 1915-1918; J.G. Osborne, 1918-1925; Paul (Uncle Paul) Bledsoe (Interim Principal), 1925-1962; Willette Rutherford Banks, 1926-1947; and Edward B. Evans, 1947-1948.

Era of Presidents as Chief Administrative Officers

1948 to Present

Names Given to the University

1878 - 1998

The Fifteenth Legislature (August 14, 1867) established “Alta Vista Agricultural and Mechanical College of Texas for Colored Youth.” The Sixteenth Legislature (April 19, 1879) established “Prairie View State Normal School” in Waller County for the training of colored teachers. The Twentieth Legislature attached the words Agriculture and Mechanical Department of Prairie View Normal School. The Twenty-sixth Legislature (1889) changed the name to Prairie View State Normal & Industrial College.” The Forty-ninth Legislature (June 1, 1945) changed the name to “Prairie View University.” The Fiftieth Legislature (March 3, 1947) established “The Texas State University of Negroes” (now Texas Southern University) and changed the name of Prairie View University to “Prairie View Agriculture and Mechanical College of Texas.” The Sixty-third Legislature (1973) changed the name to Prairie View A&M University.

Dr. Romeatrius Moss

Dr. Romeatrius Nicole Moss serves in the United States Air Force, currently with the rank of Major; and is Founder, President, and CEO of Black Nurses Rock. Born with a passion for serving others, Dr. Romeatrius Moss is an entrepreneur, award-winning philanthropist, community advocate, and international speaker. She is known for her strong work ethic, action-oriented, excellence-driven, and ability to think outside the box.

Moss grew up in Chattanooga, Tennessee and graduated top of her high school class. She received a full scholarship to Berea College in Kentucky and graduated with a Bachelor of Science in Nursing (BSN). She was commissioned as a Second Lieutenant in the U.S. Air Force. Moss continued her education by earning a Master’s in Community Public Health Nursing Administration from the University of South Alabama in Mobile, Alabama and a Doctor of Nursing Practice at the University of Alabama at Birmingham. She is a Board Certified Advanced Public Health Nurse.

In the military, Moss has held a variety of positions including staff, clinical, and nurse manager; element leader, disease manager, flight commander, health care integrator, and sickle cell nurse coordinator. She now serves as Executive Officer for the 71 Medical Group at Vance AFB.

In 2014, Moss put her vision into action to form an international organization for black nurses. She began creating the framework and strategic plan for Black Nurses Rock. She wanted to create a place where nurses could connect, mentor, motivate, inspire, and grow together. BNR’s launch was heard throughout the nation, igniting a movement among black nurses nationwide. Black Nurses Rock, Inc. is an organization with a focus to foster a positive environment of professional growth and development. It provides support and mentorship to nurses in an effort to elevate the profession and improve communities. To date, Black Nurses Rock has over 4,000 members, the largest minority nursing association, and it has already grossed over 1 million dollars in revenue, a community following of over 270,000, with over 125,000 volunteer hours completed.

Moss is a leading expert in health professional branding and mentorship programs. She has the unique ability to inspire and encourage health care professionals to take ownership of their community and use their skills and knowledge to combat the gap in health care disparities. Moss has inspired and mentored over 50,000 nurses and has helped, coached, or influenced the development of over 2,500 new businesses among nurses.

Moss has won numerous awards, including national awards, such as the National Association of Licensed Practical Nurses Community Leader Award, Cabot Celebrity Volunteer Award, National Black Nurses Association Community Nurse of the Year, Cherokee Inspired Comfort Nurse Award, National Black Nurses Association Trailblazer Award, and Nursing Excellence GEM Award Florida Region. She has been recognized by dozens of Black Nurses Rock Chapters for Community Service and Leadership; and locally by organizations such as the United Way, Girls Incorporated, Alpha Kappa Alpha Sorority, and Delta Sigma Theta. She has received the State Governor’s Award, as well as been awarded by the United States Surgeon General for her community service and emergency resilience work.

Dr. Romeatrius Moss is married to Meko Moss, and they have three children, Meko, Mario, and Melo.

Dear Prairie View

Dear Prairie View, our song to thee we raise
In gratitude, we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we’ve lived with thee,
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We’ll love thy purple royal and thy gold,
We’ll through our lives exemplify thy teachings,
We’ll always strive a blessing to be.
Thy children we our love and pride confessing,
We’ll love thee now, and through eternity.

Words by O. Anderson Fuller
Music from “Finlandia” by Silbelius
